

# School Leadership Policy

## PwC independent study – objectives

- Provide a clear and robust evidence base on the current state of school leadership from own and existing research
- Use evidence base to provide recommendations for the future of school leadership
- Study to go wider than STRB recommendation 2005

# School Leadership Policy

## Findings from PwC and other key sources

- Leadership good overall but context changing
- More demands on school leaders
- Some skills gaps
- Recruitment difficulties in some areas
- Mix of new and emerging models of leadership
- One size will not fit all

# School Leadership Policy

## Next Steps

- Renew Leadership Policy
- STRB remit on leadership in 2007
- NCSL remit 2007-08 and beyond
- Dialogue with school leaders
- Key role of teacher unions and social partnership
